

The image shows a paper craft template for a green robot named CRAFTTEL. The template is laid out on a light blue grid background. It includes various parts labeled B-1 through B-7, with instructions for cutting and assembly. The robot has a friendly face with large orange eyes and a smile. The main body is green with a large white 'cut' area in the center. The bottom section features the text 'CRAFTTEL β 2.0 Instant robot 2019.05.10'. The template is set against a light blue grid background.
